

BITS N BOBS BOX

1. Glue the Back to back edge of the Base, making sure it sits on top of the base piece.
2. Before gluing the Sides, build the drawer. Glue the Drawer Back to the back edge of the Drawer Base, making sure it sits on top of the Base piece.
3. Glue the Drawer Sides to the Drawer Base, making sure they sit on top of the Base piece.
4. Glue the Drawer Front to the Drawer Base, making sure it sits on top of the Base piece.
5. Place the drawer onto the Base. Glue the Sides to the Base and Back pieces so they sit inside the edge of the Base piece. Use the drawer as a guide as where to glue them.
6. Glue the Top to the Sides and Back.
