

## CADDY

1. **Glue the Back to the edge of the Base piece, making sure it sits on top of the Base.**
2. **Glue the Sides to the edges of the Base and Back, making sure they sit on top of the Base.**
3. **Glue the Front to the Sides and Base ensuring it sits on top of the Base.**
4. **Glue the ends of the Handle to the top section of the inside of the sides to create a handle across the box.**
