

FLIP FLAP CARD

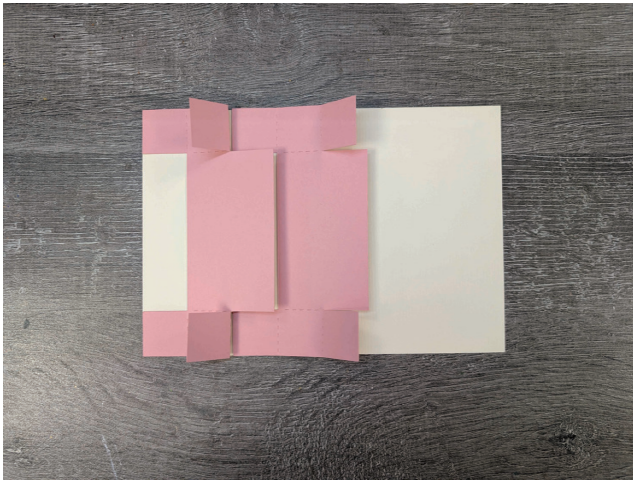

1. Fold up the tabs on either side of the Flap pieces as shown.

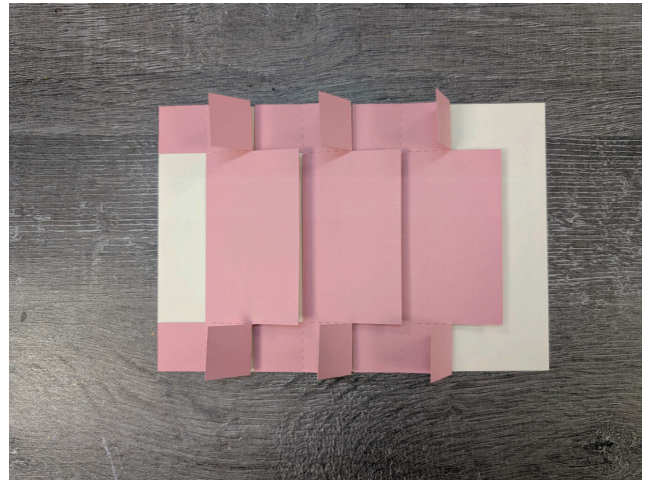

2. Glue the first Flap piece onto the Card Back so it lines up evenly with the left edge and top and bottom. Fold back the tabs.

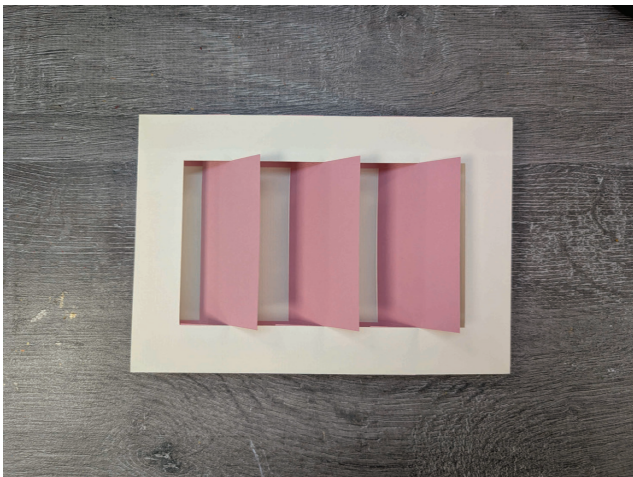

3. Take the next Flap piece and glue onto the card base so the left tabs fit around the previous Flap piece like a jigsaw.

4. Repeat with the third Flap piece and fold back all the tabs.

5. Attach the Card Front to all the remaining tabs to create the Flip Flap Card.

POP UP SLIDER CARD

1. Fold the score lines on the slider part of the Card Front as shown.

2. Turn the Card Front over. Attach Inner Slider to the bottom tab of the slider part of the card front so the edges match up evenly. Add tape or glue to both edges and the bottom.

3. Attach the Card Front to the Card Back sandwiching the Inner Slider piece inbetween them.

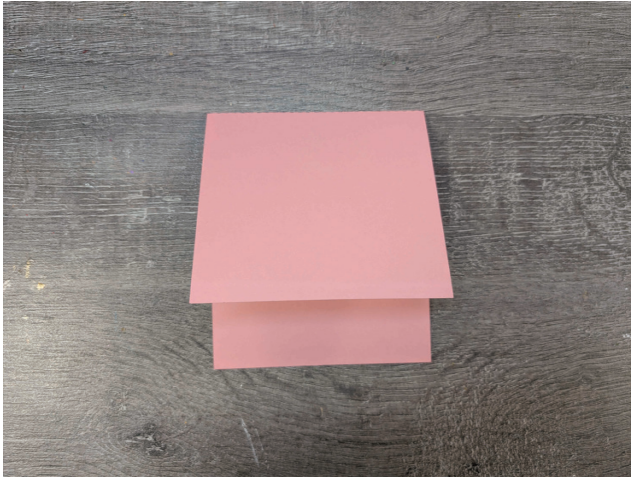

4. Attach the Pop Up piece to the front fold of the slider part on the card front to complete the card.

POPPING FLAP CARD

1. Fold the Popping Flap piece along the score line.

2. On the Mechanism piece, fold the top tab forwards and the bottom tab backwards to create a Z fold.

3. Attach the Mechanism to the Popping Flap by gluing the top tab so it sits evenly along the edge of the fold and in the middle of the card.

4. Fold the Mechanism piece up and make sure the tab is folded down.

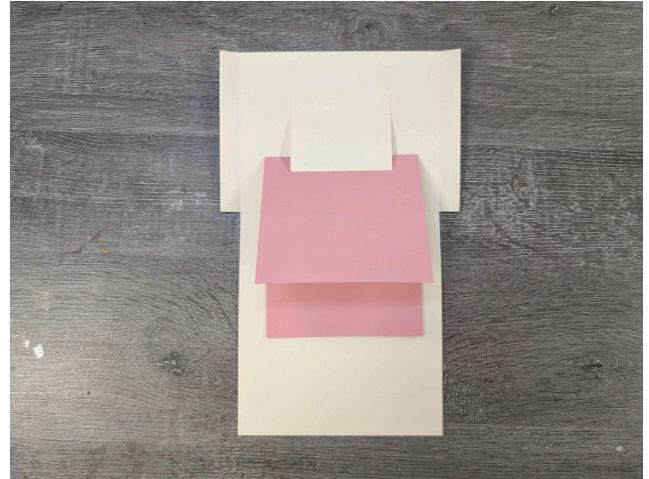

POPPING FLAP CARD CONTINUED...

5. Insert the Popping Flap into the Outer Card and line up the bottom of the Mechanism piece with the bottom edge of the Card Front. Make a mark on the inside of the card where it sits. Add glue to the tab, place back inside the card and close to stick.

6. When you open the card back up the Mechanism should be attached to the inside of the card front. Fold in the tabs of the card front and apply glue.

7. Close up the card and attach the tabs to the back of the card to close.

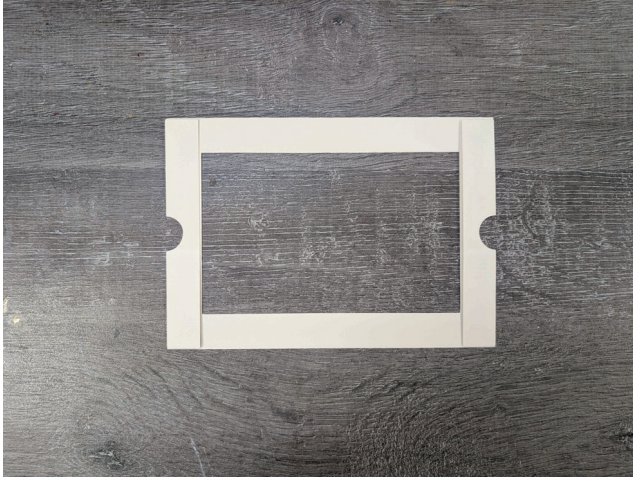

8. Pull the inner card piece to pull out the Popping Flap. You may have to gently squeeze the edges of the card to help it release.

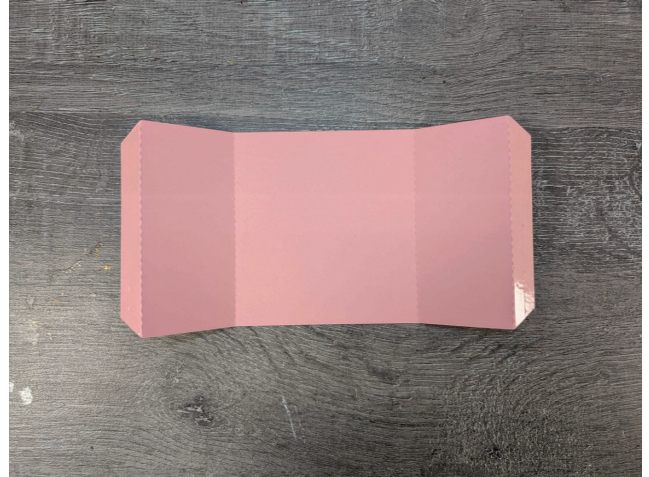

THEATRE CARD

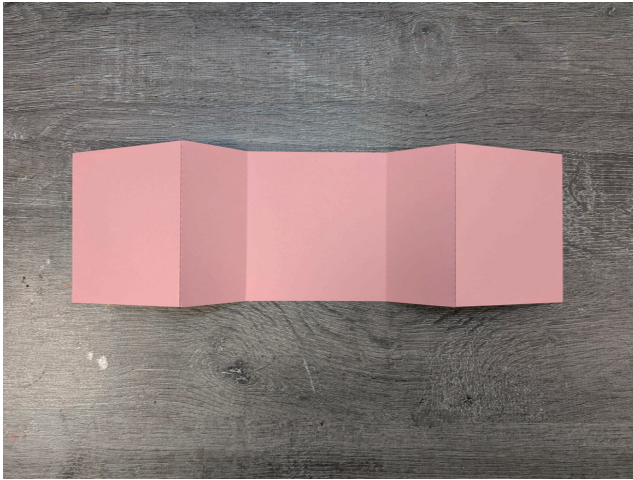

1. Attach the Bracket pieces to the back of the Card Front making sure to only glue about 5mm at the top and the bottom, leaving the middle part open for the Slider.

2. Fold the score lines on the Slider piece so the inner folds are valley folds and the outer folds are mountain folds.

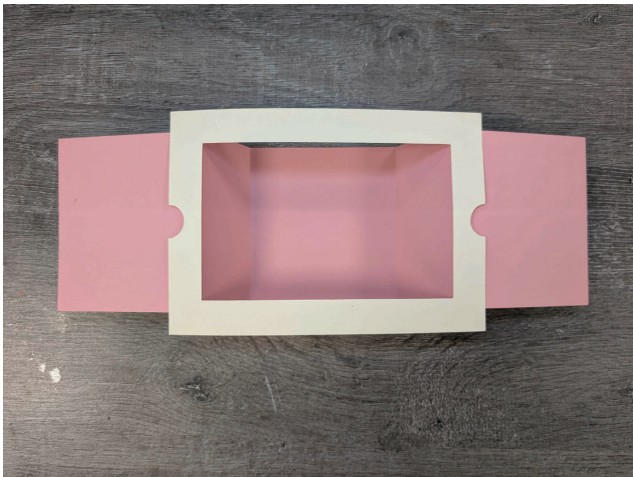

3. Attach the Slider Doors to the tabs on the Slider piece.

4. Slide the Slider through the Brackets on the back of the card front.

5. Turn the card over. This is your open Theatre Card.

6. Push the doors closed to close up the Theatre Card.
