# ACCORDION GATEFOLD CARD INSTRUCTIONS

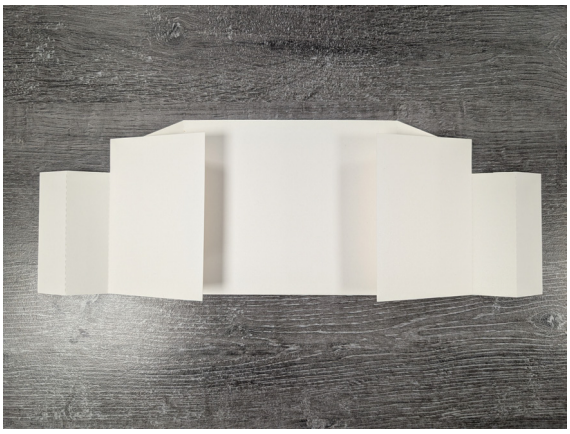

1. Cut out all template pieces and score and fold where instructed. Mountain fold and valley fold and the Card Base to create the accordion folds.

2. Mountain fold and valley fold and the Mechanism pieces. Attach one onto the left side of the card so the valley lines up with the edge of the Card Base.

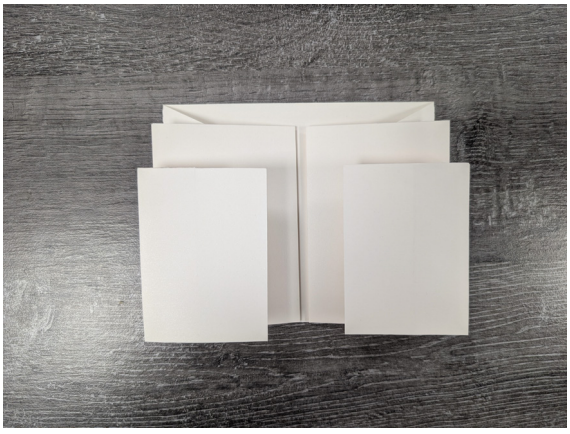

3. Repeat with the other Mechanism piece on the right side of the Card Base, again so the valley fold lines up with the edge of the Card Base.

4. Attach the Large Panel pieces to either side of the original Card Base so they edges of each piece line up and they cover the Mechanism join.

5. Attach the Small Panel piece to Mechanism piece so the right edges of both pieces line up.

6. Repeat with the Small Panel on the other side and fold up so finish your Accordion Gatefold Card.
