

ACCORDION POP OUT CARD INSTRUCTIONS

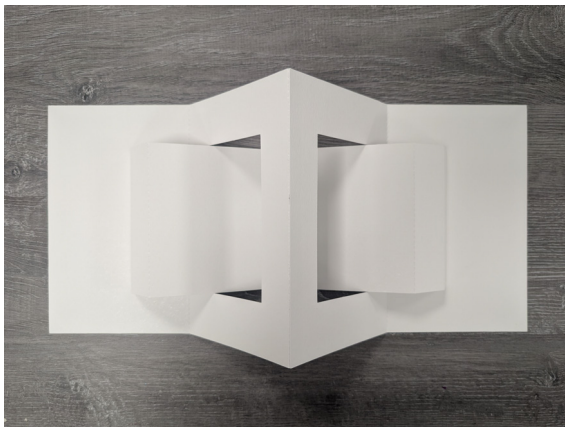

BY VIKKI DEAKIN

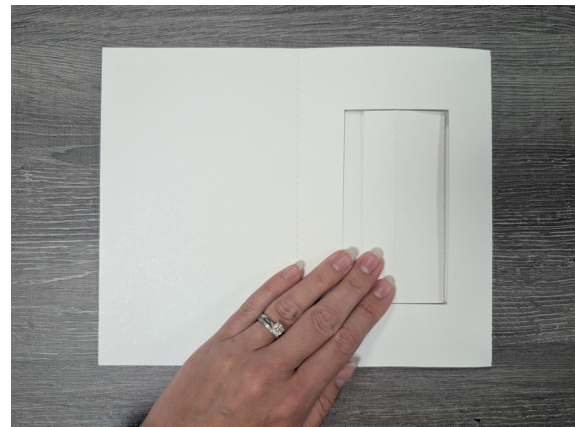

1. Cut out all template pieces and score and fold where instructed. Attach the left and right card bases together using the tab so the aperture panels are in the middle.

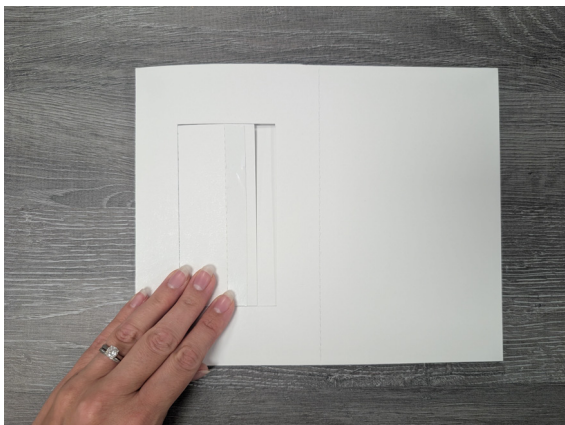

2. Attach the left and right accordion pieces together using the tab.

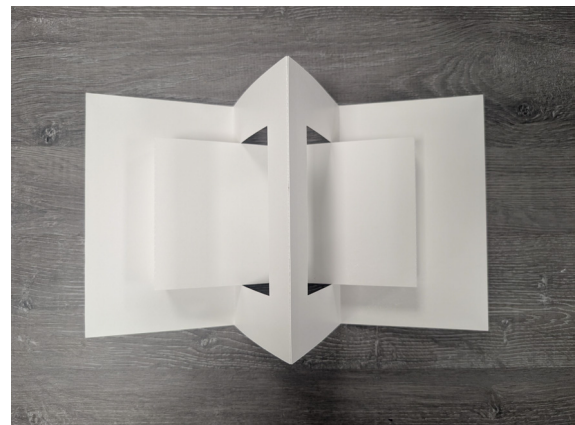

3. Feed the accordion piece through the aperture section of the card base.

4. Fold up the card with accordion piece in the middle. Line up the right edge of accordion piece with the right edge of the aperture. Add glue to the tab and close the front of the card to stick.

5. Turn the card over. The left edge of the accordion piece should be lined up with the left edge of the aperture. Add glue to the tab and close the back of the card to stick.

6. Open up the card to reveal the accordion.
