

HIDDEN REVEAL CARD INSTRUCTIONS

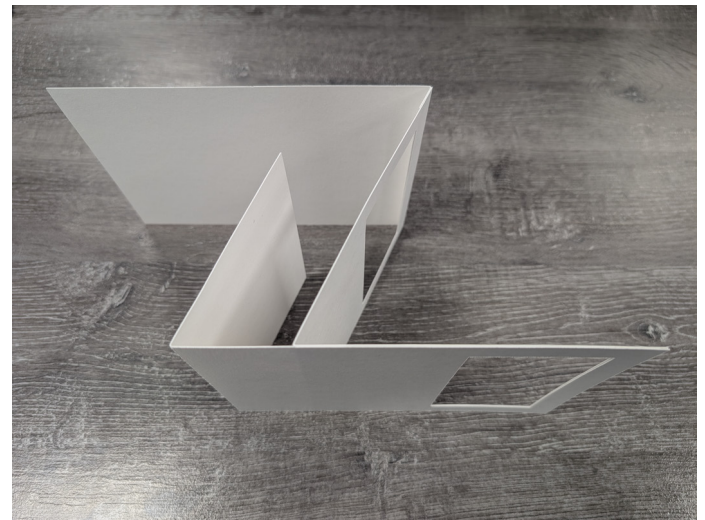

1. Cut out all template pieces and score and fold where instructed. Fold the Card Middle piece in half.

2. Turn the Card Middle over so the fold is facing upwards like a mountain. Attach the Card Back piece to the left hand side of the Card Middle.

3. Your card should now resemble a Z fold card with the apertures on the right hand side of the card.

4. Attach the Card Front piece to the front of the card so the apertures on both pieces line up perfectly. The left panel of the card then folds inside the middle of the Z.
