HIDEAWAY CARD INSTRUCTIONS

1. **Cut out all template pieces and score and fold where instructed. Fold the Card Base in half.**

2. **Fold the Mechanism as shown in the image above.**

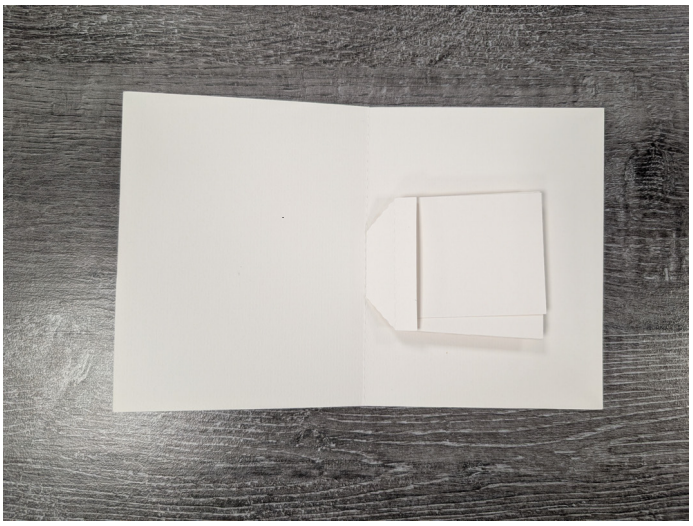

3. **Attach the Pop Out Panel pieces to the arms of the Mechanism.**

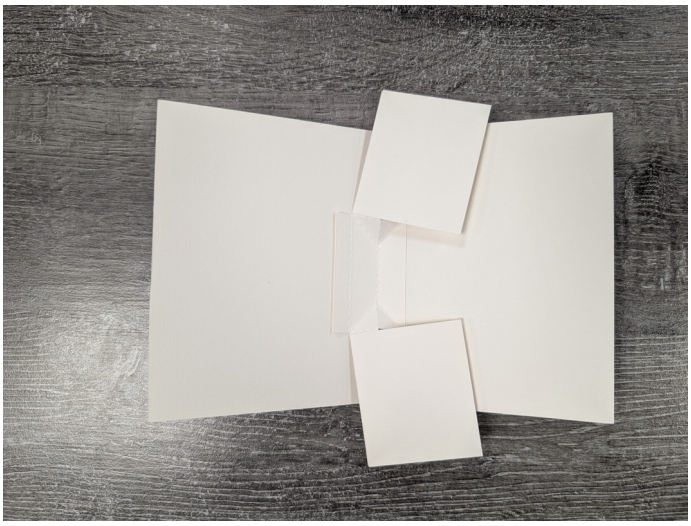

4. **Fold the panels inwards so they fold into the Mechanism.**

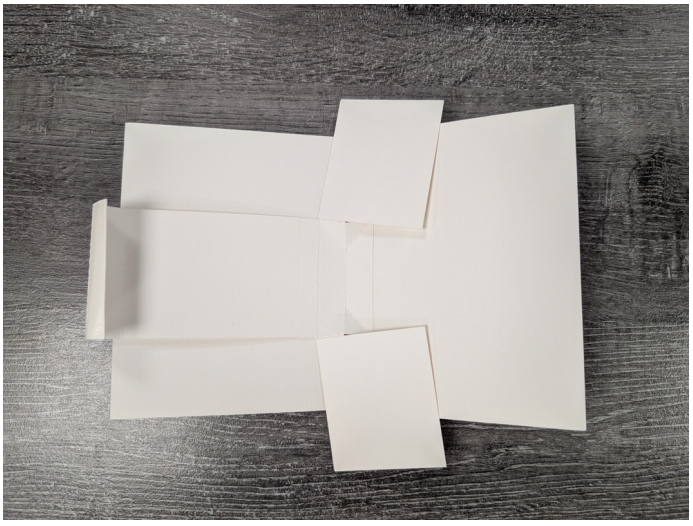

HIDEAWAY CARD INSTRUCTIONS

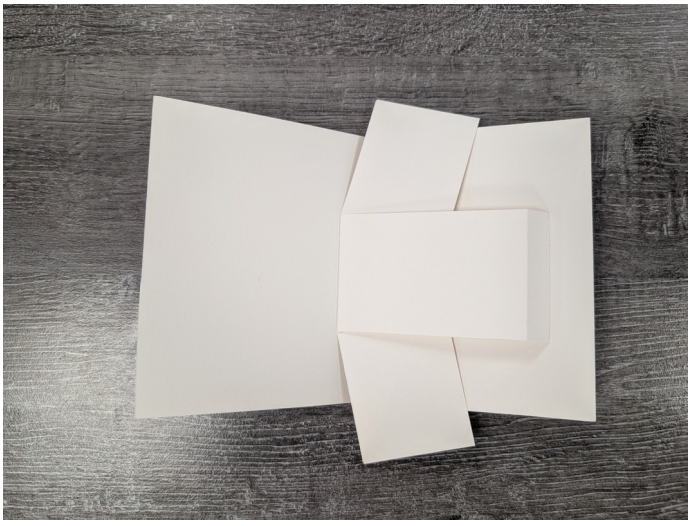

5. **Attach the Mechanism to the inside back of the card so it lines up with the centre fold and sits in the middle of the card.**

6. **Add glue to the top of the Mechanism, leave the tab clear, and close the front of the card to glue this to the Mechanism.**

7. **Attach the large section of the Hideaway Panel to the tab on the Mechanism.**

8. **Fold the Hideaway Panel over and glue the tab to the inside back of the card so it lies flat. When you close the card to the panels should hide behind this panel.**
