

POP UP BLOCK CARD INSTRUCTIONS

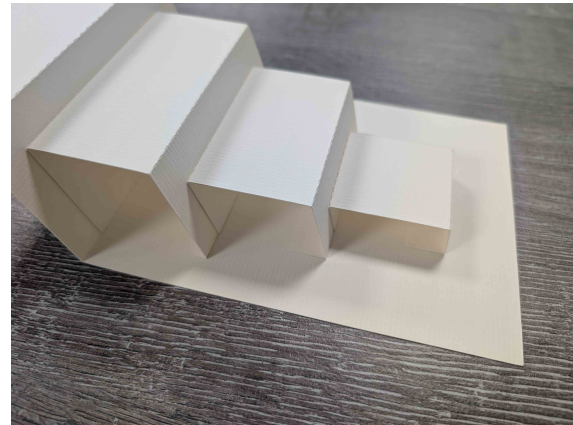

1. Cut out the Base Card template piece and score & valley fold on the score lines where instructed to create a Z fold card. If you are using SVG files these will be done for you the score lines are done for you.

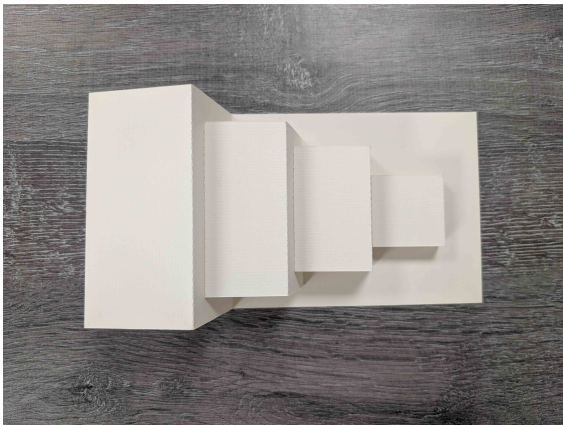

2. Cut out the three Pop Up Panel template pieces and score & valley fold on the score lines where instructed. If you are using SVG files these will be done for you the score lines are done for you. Stick the left side of the Pop Up Panel 01 piece to the second panel on the Base Card. Stick the tab to the back of the card so the pop up sits square.

3. Stick the left side of the Pop Up Panel 02 piece to the side of Pop Up Panel 01 and the tab to the back of the card so the pop up sits square.

4. Stick the left side of the Pop Up Panel 03 piece to the side of Pop Up Panel 02 and the tab to the back of the card so the pop up sits square.

5. Your card is now ready to decorate.
