

ROLL UP GIFT BOX INSTRUCTIONS

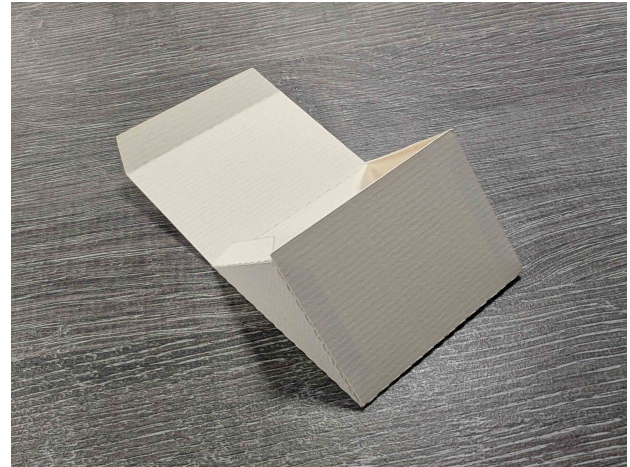

1. Cut out all template pieces and score and fold on the lines where instructed. On the Inner Box, fold up the bottom panel up and attach to the bottom tab on the triangle side.

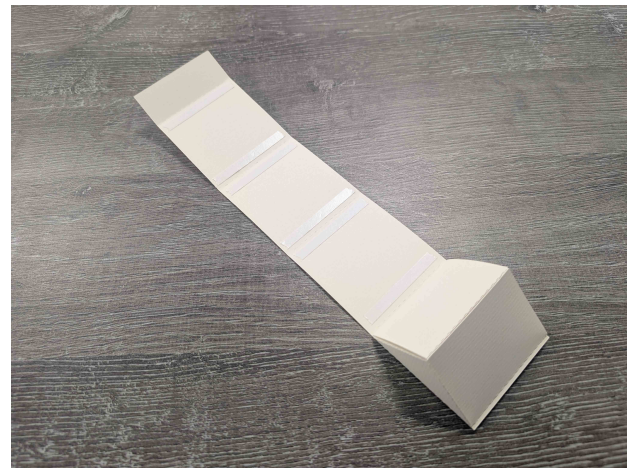

3. Repeat for the other three Inner Boxes.

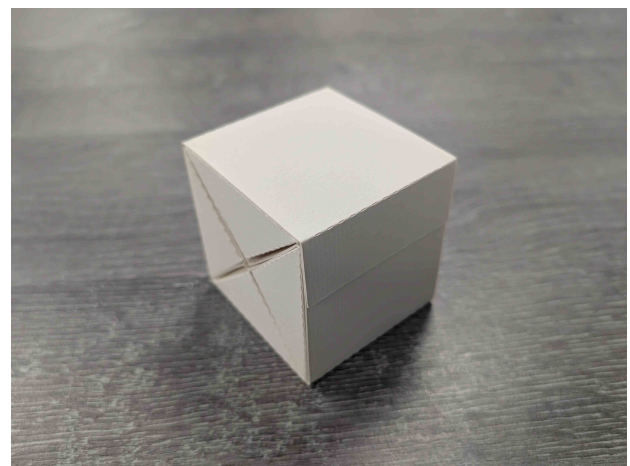

5. Attach the rest of the inner boxes to the wrap. Space them evenly within the score lines to allow room when you roll up the box.

2. Repeat with the tab on the other side of the box.

4. Start to attach the boxes to the Gift Box Wrap. You can have the opening for the box facing either way, just make sure all boxes face the same way.

6. Roll up the box and secure closed with a craft magnet, velcro or ribbon.
