SLIDE & LOCK CARD INSTRUCTIONS

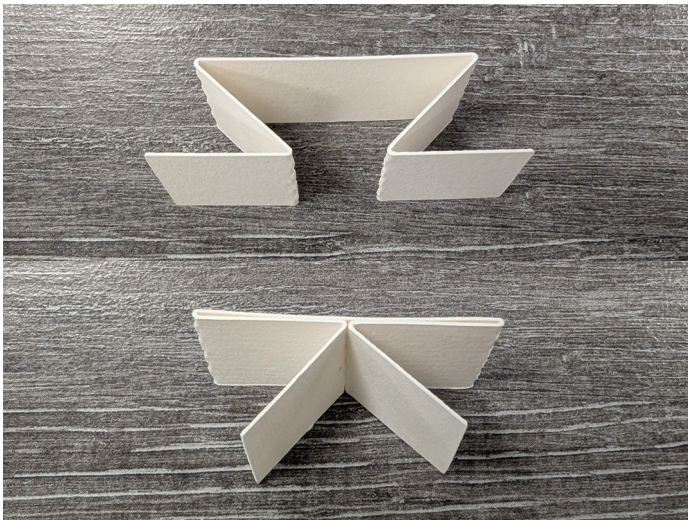

1. **Cut out all template pieces and score and fold where instructed. Attach the Card Front piece to the Card Back piece using the tab.**

2. **Fold all the Mini Card pieces in half. You will want two opening left to right, and two opening right to left.**

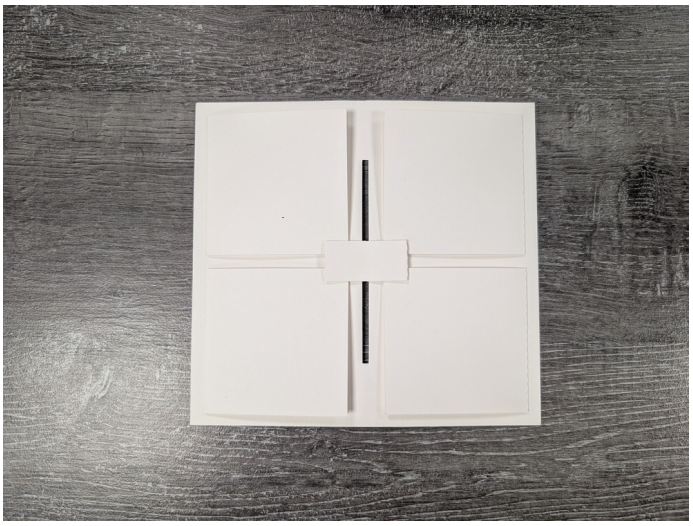

3. **Glue all the Mini Cards onto the Slider piece so each card sits equally in one quarter of the Slider piece.**

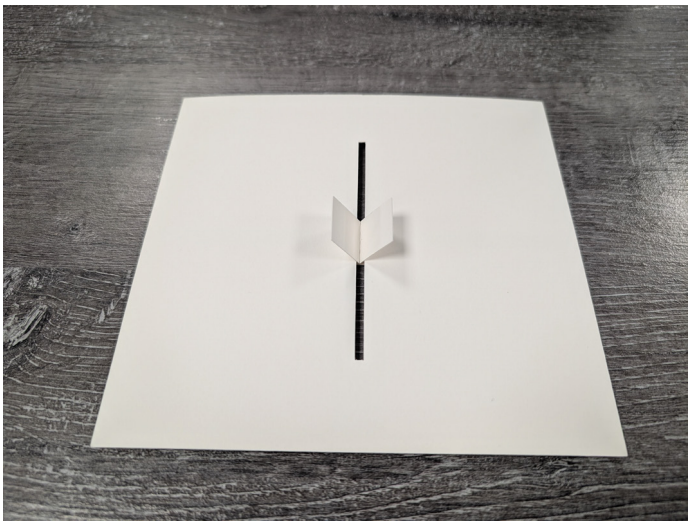

4. **Fold the Slider Mechanism and glue as shown in the image above.**

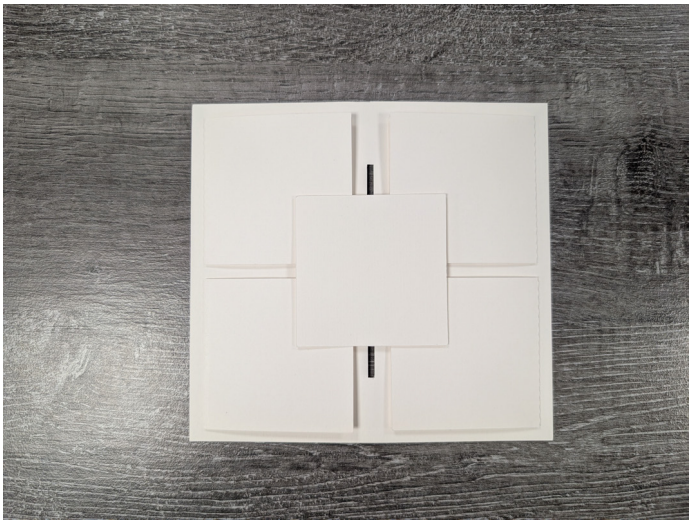

SLIDE & LOCK CARD INSTRUCTIONS

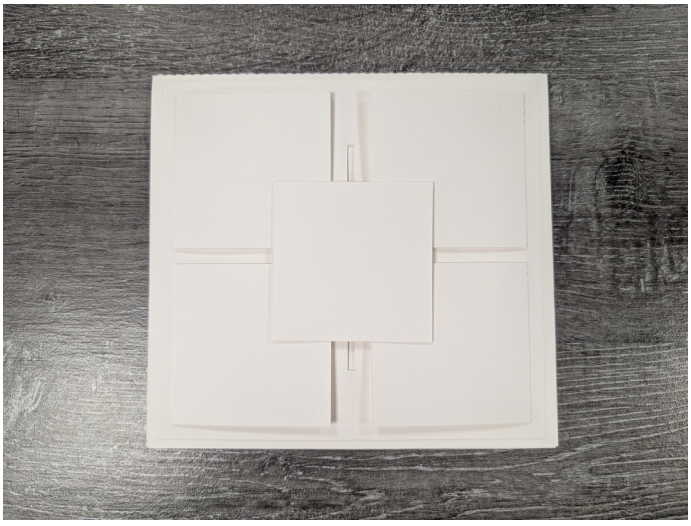

5. **Push the tabs of the Slider Mechanism through the gap in the Slider piece.**

6. **Open up the tabs on the other side of the Slider piece to lock it in place.**

7. **Turn back over and attach the Slider Panel to the top of the Slider Mechanism.**

8. **Attach the whole Slider piece to the Card Base. Make sure to only add glue round the edges of the square so the Slider is free to slide up and down.**
