

## DIAMOND POP OUT CARD INSTRUCTIONS

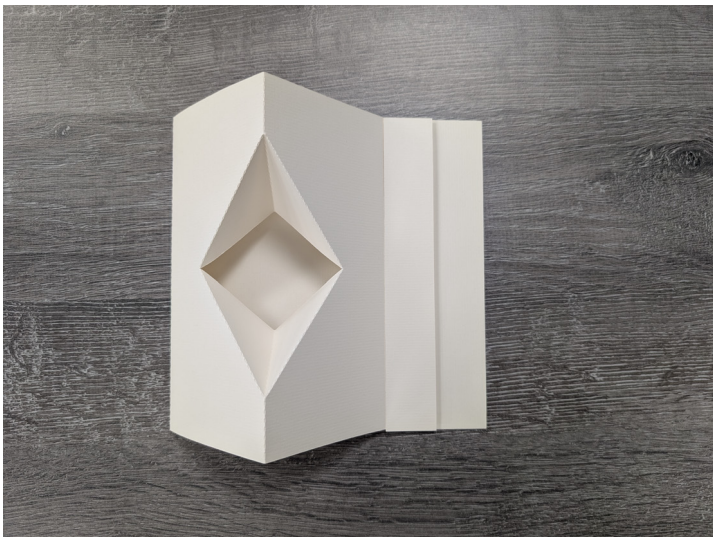

BY VIKKI DEAKIN

1. Cut out the Card Front template piece and score & fold on the score lines where instructed to so the diamond pop out folds inwards.

2. Cut out the Card Back template piece and stick to the tab on the left of the Card Front to create a card.

3. Cut out the Card Stopper piece and mat onto the card back. Fold the card and use the stopper to create the easel.
