2. Attach the Card 2 Front to the Card 2 Back and the Card 3 Front to the Card 3 Back using the tabs to create two smaller cards.

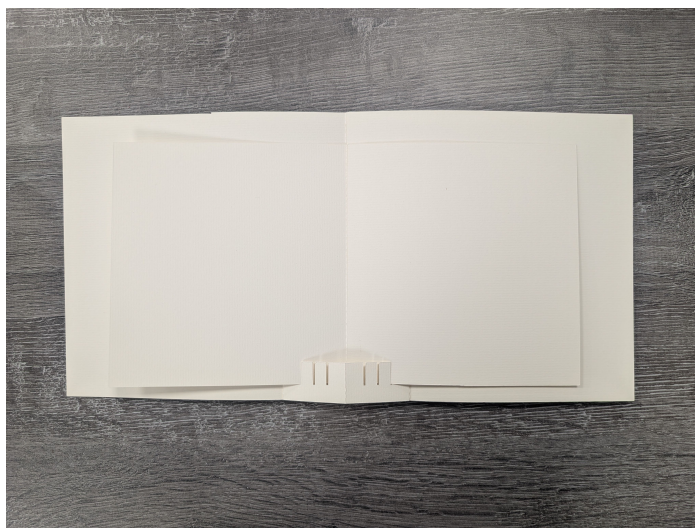

3. Fold the Card 4 piece in half to create a card.

4. Using one of the Card Holders, attach to the inside of the largest card so the bottom edge sits about 5mm up from bottom edge of the card and the middle score line lines up with the centre fold of the card.
