Hexagon Box Pop Up Card Instructions

BY VIKKI DEAKIN

Cutting List :

1 x Card Base Back

1 x Card Front Flap

1 x Card Base Front

2 x Large Box (cut the tabs off one of the boxes, leave the hook tab)

2 x Medium Box (cut the tabs off one of the boxes, leave the hook tab)

2 x Small Box (cut the tabs off one of the boxes, leave the hook tab)

All mats and layers

1. **Cut all mats and layer from papers of your choice and glue them to the appropriate boxes and panels.**
2. **Glue the card base front to the Card Base Back and attach the Card Front Flap to the opposite side of the Card Back.**
3. **Take both parts of the Large Box and glue the first section with the hook together so they face inwards. Continue gluing each tab working around the box until you get past the second hook panels.**
4. **Attach the elastic bands around one set of hooks and then the other. Once secured glue the remaining two tabs.**
5. **Repeat on the other two boxes using slightly smaller elastic bands each time.**
6. **Glue the three boxes on top of each other and allow to dry thoroughly before attaching to the inside of the back of the card.**
7. **Decorate to suit your taste.**
