1. **Fold all the score lines on the two box sections as mountain folds. Fold and glue the tabs in place and fold and glue the sides in to cover the workings.**
2. **Glue the two large panels on the sleeve centres together and fold the tabs as mountain folds.**
3. **Glue the two sleeve centres in to the sleeve, this will make the sections that the boxes slide in to.**
4. **Glue the sleeve back in place.**
5. **Glue the sleeve to the card back.**
6. **Fold and glue the front panel in place.**
7. **Add sentiment if required.**
