

MULTI BOX POP UP CARD INSTRUCTIONS

BY VIKKI DEAKIN

Cutting List :**1 x Base Card Front****1 x Largest Base Card Mat (For the Card Base)****1 x Large Box****1 x Medium Box****1 x Small Box****3 x Base Card Mats****1 x Large Front Mats****1 x Medium Front Mats****1 x Small Front Mats****3 x Inside Box Mats****3 x Back Box Mats****3 x Top Box Mats**

Designer Notes : The size of the three boxes relate to the size of the square aperture.

1. Cut the Base Card Front and the Largest Base Card Mat and glue together to make the Card Base.
2. Glue the 3 sets of Base Card Mats together and glue 2 inside the Card Base and 1 to the front.
3. Fold all the horizontal score lines on the Large Box as mountain folds and the vertical score line as a valley fold.
4. Repeat step 3 on the Small Box.
5. Fold all the score lines on the Medium Box as mountain folds.
6. Glue each box together with the tabs.
7. With the card base open, measure 52mm from the spine over the the left and mark with a pencil. Measure 52mm from the spine to the right and mark.
8. Measure up 90mm up the spine from the bottom of the open card base and mark with a pencil.
9. With a box laid flat measure in from the left hand side 22mm across the top and mark. Measure 22mm in from the right hand side and mark. Then measure 22mm from the spine to the left and mark and then measure 22mm from the spine to the right from the spine.
10. Repeat on the remaining boxes.
11. Add all mats and layers to the boxes.
12. Take the largest box and glue in place making sure that the spine of the box is aligned with the spine of the card and the outer front corners are line up to the pencil marks on the card base.
13. Using the pencil marks on the box tops align and glue the medium box to the top of the large and then the small box on top.
