*A season full of twinkling lights,
Of laughter, songs and cheer,
A time to hold the ones we love,
And welcome a brand new year.
May your Christmas days be peaceful,
Your memories rich and true,
With endless little moments,
That bring happiness to you.*

001.png

*As another Christmas comes around,
With memories old and new,
May joy and love be wrapped around,
Everything you say and do.
May festive moments stay forever,
Like a beautiful shining light,
Bringing comfort, hope and happiness,
Through every day and night.*

002.png

*Beneath the sparkle of the stars,
And winter skies above,
May Christmas bring a season filled,
With kindness, joy and love.
May every gift and greeting shared,
Remind you how much you care,
And may the magic of this time,
Stay with you everywhere.*

003.png

*Christmas comes with special treasures,
More precious than we know,
The love we share, the smiles we give,
The kindness that we show.
May your season be full of wonder,
With memories warm and bright,
And may your heart be filled with joy,
This Christmas and each night.*

004.png

*May the gentle beauty of Christmas
bring a sparkle to your days,
may your heart be filled with happiness
in a hundred little ways.
May the season bring you comfort,
hope and joy that shines anew,
and may the coming year be filled
with wonderful things for you.*

005.png

*May the glow of festive candles,
Bring warmth into your home,
May happiness surround you,
Wherever you may roam.
May Christmas bring you gentle peace,
And moments to hold dear,
With love, good health and happiness,
Throughout the coming year.*

006.png

*May winter bring its quiet beauty,
With frosty mornings bright,
May Christmas fill your days with joy,
And evenings warm with light.
May you find the sweetest moments,
In the simple things you do,
And may the season's happiness,
Bring endless smiles to you.*

007.png

*The greatest part of Christmas time
is not the gifts beneath the tree,
but all the love and memories
shared with those we care to see.
May your season be filled with kindness,
with laughter, joy and love so true,
and may every Christmas blessing
find its way to you.*

008.png

*The magic of the Christmas season,
Is found in love and care,
In moments shared with family,
And memories that we share.
May your home be filled with laughter,
Your heart with festive delight,
And may your days be wrapped in joy,
From morning until night.*

009.png

*Though Christmas comes but once a year,
its warmth and magic can remain,
in treasured memories we hold close
and moments we happily regain.
Wishing you a season full of love,
with peace and happiness to share,
and a New Year filled with wonderful things
to show how much we care.*

010.png

*When Christmas bells are softly ringing,
And lights begin to shine,
May every little moment bring,
A happiness divine.
May peace and love surround you,
In all you say and do,
With blessings for the season,
And warmest wishes too.*

011.png

*Wishing you peaceful winter mornings,
cosy evenings and festive cheer,
moments filled with smiles and laughter
shared with those you hold most dear.
May the beauty of the season
bring happiness your way,
and fill your heart with warmth and joy
throughout each winter day.*
