

QUATRO BOX

1. To make one quarter of the box, glue the Back to the back edge of the Base piece.
2. Glue one of the Sides to the Base and Back pieces.
3. Glue the Shelf pieces to the Back and Side pieces by slotting the notches into the grooves.
4. Glue the remaining Side pieces onto the Base and Back piece slotting the Shelf piece notches into the grooves.
5. Glue the Top onto the top of the Box Side and Back pieces.
6. Repeat with the rest of the box pieces to make three more boxes.
7. Glue the right side of one box, to the back of another box. Repeat all the way round until all four boxes all glued together.
8. To make the drawers. Glue the Drawer Back to back edge of the Drawer Base piece.
9. Glue the Drawer Sides to the Drawer Base and Back piece.
10. Glue the Drawer Front to the Drawer Base, and Side pieces.
11. Repeat with the rest of the drawer pieces to make up the remaining drawers.
12. Slide the drawers into the unit.
