

RECIPE CARD BOX

1. Glue the Back piece to the Base piece, making sure it sits on top of the Base piece.
2. Glue the Side pieces to the Base pieces, making sure they sit on top of the Base piece.
3. Glue the Front piece onto the Base piece, making sure it sits on top of the Base piece and is glued to the Side pieces.
4. To create the Lid, take the Top, glue the Front to the long edge of the Top piece, ensuring that it sits on top of the Top piece.
5. Glue the side pieces to the Top and Front pieces, making sure they sit on top of the Top piece.
6. Glue the Back to the Sides and Top.
7. Taking the Dividers Place them into the Recipe Card Box. Add your recipe cards in between the dividers as required.
